infused.

"What a waste!" He exclaimed. "We should have prepared for this!

I'm so glad I brought the extra supplies."

"Exactly! We need to stay prepared for unexpected events."

"Agreed. Let's get moving."

They continued on their journey, equipped with the necessary tools and supplies.

---

In summary, the importance of proper planning and preparation cannot be overstated. Always keep your tools and supplies handy, and always be prepared for the unexpected. It's the key to success in any endeavor.
I think, therefore I am.
