

" dear boy, Paul Nicholas, whom Belle
took when he was a wee little boy. He is
now living in Arizona I heard. We all loved
him as our very own.

Well I am sorry that I cannot give you
any more information about my dear old
home.

at my grand father's death, we moved up
into the home you bought when we lived
for several years before moving out here to
Denver.

Please forgive me for being so long in
answering your letter. You were so gracious to
Harry and me the day we came to see you. I
had quite a feeling of sadness as it brat
back many memories.

It was probably my dear cousin Pauline who
along with her husband Lawrence Berford
visited you and spoke of the old spring house
those beautiful old trees etc. Pauline belonged to
the Poetry Society of Texas and published at least
two books of poems. She passed away several years
ago.

Sincerely
Annie May Yofall
