Summer
'95
after my
Bell's Palsy.
Before August
visit.

I missed getting this in the other envelope until it was sealed.

Enclosed is a few more farm pictures. The sunflowers were my favorite; along the old garage that's been torn down. One time I planted sweet peas there + one time 4 o'clock that was long ago, + haven't planted any of those since. But they were my favorite flowers.

YOU
DID IT!
Good
Grief!

1955 age 4 + 2 + pleased with themselves
