**I Elected To Mayor In Bethel Park Boro,
I Will Try To. .**

1. Run the Mayor's office as it was originally intended.
2. Stop constant bickering among elected Boro officials.
3. Study the problems of the Police Department and recommend any changes or additions necessary.
4. Work closer with the citizens and be available when needed.
5. Cooperate with State, Federal and other local governments to the advantage of Bethel Park. This is very important concerning South Park.
6. Sponsor anything which will promote Boro cooperation with Fire Department, Youth Groups, Civil Defense, Schools, and Churches.
7. Study proposals for increased services in areas such as commuter facilities, garbage collection, utility companies, polio vaccination, newspaper coverage, etc.
